Subject: Application for an internship as a Graphic designer at E.P.S.A

Dear Sir/Madam,

I am writing to you to apply for an internship as a Graphic designer. From your website I learned that you offer internships to students during the holidays.

I am interested in this job because I think that it is suitable for me. Moreover, I would like to learn more about this job and create new drawings at your company.

As you can see from my enclosed CV, I have already worked at my school's magazine and I know the basics about the job. Furthermore, I have taken part in a painting contest at my country and won the 2nd place.

Also I am interested in free drawing.

I look forward to hearing from you soon.

Yours sincerely,

Nick Theodorou
