Application to service as decorator

Hello!

Dear sir/madam, I am looking for your service as a decorated at IKEA in Västerås. I am really interested in your service and I want to start work. My name is [redacted] and I am 20 years old and I have study the economy line in Sweden at Thoren Business School Sweden. I am artistic and I like when things are organized and clean, so I am very good at tidy. I am a happy and positive person who likes to meet new people. I have been on work experiences a few times, I have been working as preschool teacher and in a grocery store.

I had my highest grades in english, spanish, swedish and art. I could really use my language knowledge when I work.

In my spacetime I like to dance and play badminton, my friends say that I'm pretty good at both of them too. I have played badminton since 2014 and I'm almost in elite.

When I'm buying furniture I do it from IKEA because I really like IKEA and it has very good quality.

Certificates will be provided upon request.

Yours sincerely
