Application for the service as financial officer.

hello!

My name is [redacted] I am a 23 years old woman from Sweden, but i a few months I`m moving to Celle. My friend who works as a seller for your company told me you are searching for a new financial officer.I think it would be the perfect job for me. Some good qualitties i have are that I very meticulous about what I do, ambitious and I always has a smile on my face becuase everything will be easeir if you have a positive attitude.

Most of my spare time I spend outside training or playing with my little daughter. I think a job where I work inside would be good for me becuase otherwise it might be a bit too much for me to be outside all day long everyday. When I was in 8th grade I was on PWE (pracitlial work experience) I worked with my dad at his job and worked as a finanical officer for he`s team. I thought that it would be a job I would dream of having for the rest of my life but never get, so this is my chance to get my dream job.

When I graduated college I had Straight A`s. Some of the subjects were english, business, social studies and math. My friends thinks I`m funny, full of energy and determined.I hope I hear from you.

sincerely
