Application for an internship as a farmer

Dear Mr. Knoop,

I hereby apply for an internship as a farmer. I am glad to be able to send you my application documents.

I think this job would be perfect for me, as I have always preferred spending time outside instead of working at the desk.

I am 14 years old and currently attending the ninth grade of Westercelle High School. I am going to graduate and receive the secondary school certificate in July 2019.

I am physically fit and good at working on my own and in teams – strengths I have gained by being a member of a hockey team in Celle.

I can imagine fitting into your team very well and I would really appreciate being invited to a personal interview.

I look forward to hearing from you.

Best regards,

C.S.
