

Orestis – It's me box

- Photo: This is a photo of my grandmother. It's very important for me because she is not alive anymore and this is something to remember her.
- Table tennis racket and ball: I decided to put this table tennis equipment in the box because it's one of my favorite sports.
- Medal: This is a silver medal from my first kayak race. It's important for me because it always reminds me not to give up and keep training to be better.
- Chocolate: This is just a chocolate. Come on! Everyone loves chocolate!
- Motorhead T-shirt: This is a T-shirt from my favorite metal band. My big brother was wearing it when he was at my age and now I can wear it too!

•Dog's Photo: This is a photo of my dog, Kaukasos. He is my first dog and we've been together for 7 years now. I have gone through many troubles with him, nevertheless I still love him.

•Baguettes: These are my baguettes from the time I was playing drums. I put them in the box because apart from drums I love rock music.

•Miniature Eiffel Tower Souvenir: This is a miniature of the Eiffel Tower. I bought it 5 years ago when I went to Paris with my family.

•Guitar Necklace: This is a gift from my brother when he went to Brussels. It's important for me because it's the first gift he gave me.

•Mp3 Player: This is my mp3 player and I have no idea what I would do without it. I take it with me everywhere because I love listening to music as you already know.
