

My it's me box

DANCE AWARD: I took this freestyle award at the age of 11 in a dance competition as I had taken a high mark.

TEDDY BEAR: this cute little bear is an exact miniature of my original one. Its name is Gina and I have had it since I was five years old. It is always there for me and it gives me a sense of security when I do not feel well.

EIFFEL TOWER: this little Eiffel tower shows my love for France. It has been my dream to travel to Paris since I was eight years old but unfortunately it hasn't been fulfilled yet.

LIPSTICK: not only do I like doing make up on my own and to my friends, but I am also interested in watching youtube videos and learning about it.

MARATHON MEDAL: when I was 10 years old I won a medal at a kid marathon for my place in the first 10 children who finished the race.

DANCE SHOES: these shoes are not a simple kind of shoes. They are my ballet shoes. They help me express myself through dance and show my passion for it.

VOLLEYBALL KNEECAPS: I may have stopped my volleyball practices this year due to lack of time but this does not mean that I do not love playing it as much as I used to.

GUIDING SCARF: this guiding scarf reminds me of all the good experiences I have gone through as a guide . Guiding teaches you how to be a better person and offer to everyone.

SHELLS: these are some shells that I have picked up from the sea many years ago . They are important to me because they take me back to the island Skyros where I was brought up and all the pleasant memories I have from there.

MAGNETS : I do a magnet collection from all the places I visit . All the magnets that I have now are from Greece but I hope to visit many countries in the future and of course to buy magnets from there.
