

It's me box- Margarida Salvador

Mobile phone

My mobile phone is one of the most important objects in my life. There I keep most of my basic things. I have made several friends with my mobile phone and I have discovered new things. I take it everywhere I go.

Earphones

I decided to bring my earphones because I love listening to music. When I listen to it, I want to sing but unfortunately I don't have a good singing voice.

Animal

I couldn't bring a real animal but I bought a fake dog because I simply love animals. I have a dog and a cat and they are the cutest things I've ever seen.

Pencil

One of my favourite hobbies is writing. There's an application named Wattpad and there you can read other people's books and write your own book. I have some romance stories there but it's really hard to publish a chapter because school comes first.

Book

Here I have my favourite book. I have read it 4 times and I still love it. I started reading more books when I was 13. Books are important to me because it's something that I like to do and it also relaxes me and helps to spend time with myself.

Camera

Another hobby that I like is to take photos. I don't like to take photos of myself but I like to take pictures of other people and landscapes. My goal is take good pictures without making too much modifications.

Movie

I have chosen this DVD because this was one of my favourite films when I was little. And I bought it because I really love to watch films. I don't buy them any more because I can find and watch them online.

Lipstick

I brought a lipstick because I use make-up every day. I use it because it makes me feel more beautiful and comfortable with myself.

Bonnet

I have chosen to bring this bonnet because I love everything about the winter season. It doesn't snow where I come from, Marinha Grande. I have to go to Serra da Estrela or Trás-os-Montes in order to see snow.

Key ring

I love travelling so I decided to bring a key ring from my last trip. My former school organised a 5 day trip to London and it was really awesome. I wish I could turn back time to those days.
