Application for an internship as a car salesman

Dear Sir or Madame,

I hereby apply for an internship as a car salesman in your car dealership.

I am pleased to send you my application documents.

I am very interested in the profession, as my uncle has been working here for years and has motivated me to do an internship here. I am particularly interested in dealing with clients because I am very communicative.

Currently, I am attending the ninth grade at Westercelle High school, which I will be graduating with the secondary school certificate in July 2019.

I show initiative, can resolve conflicts well, I am resilient and can also show empathy.

I can imagine fitting into your team. I'd be delighted to be invited to an interview and I am available at any time. I look forward to hearing from you.

Best regards,

J. K.
